

## **Chapter 8 - Franchise to Wisconsin Power and Light Company**

### **8.01 FRANCHISE GRANTED**

There is hereby granted to Wisconsin Power and Light Company, a public utility corporation duly organized and existing under and by virtue of the laws of the State of Wisconsin, with its principal office at Madison, Wisconsin, a franchise, license and permit to supply, in public service, gas to the Village of Deerfield, Dane County, Wisconsin, and to its inhabitants.

### **8.02 TYPE OF GAS**

The gas will primarily be natural gas as received from the pipeline company, but may from time to time contain varying proportions of manufactured gas. The characteristics of the gas received from the pipeline company may vary or be changed from time to time within the limits permitted under regulation of the Federal Power Commission, and the characteristics of the gas delivered to the customer may vary or be changed from time to time within the limits permitted under regulation of the Public Service Commission of Wisconsin.

### **8.03 RIGHT TO REPAIR**

There is hereby granted to Wisconsin Power and Light Company for the purpose of enabling the Company to furnish gas service to the Village of Deerfield, and to its inhabitants, the right and authority to place, lay, maintain and repair gas mains and gas laterals, and other necessary and proper appurtenance, in the streets, alleys and public ways and grounds in the Village of Deerfield.

### **8.04 REPAIRS TO HIGHWAYS REQUIRED**

A condition of the franchise, license and permit is that the Wisconsin Power and Light Company shall not damage highway improvements without restoring the damaged portions to a condition of repair equal to that existing prior to such damage.
