A. RESOLUTIONS

B. LICENSES & PERMITS

C. REVIEW & ACTION

1. UPDATES FROM PUBLIC WORKS DIRECTOR

Doyle reported on the water break that occurred at the High/Middle School and that there are three (3) residents who have frozen laterals. These residents are being supplied water through a hose running from their neighbor's house. The Village has hand delivered letters to residents, who live on cul-de-sacs where the water main dead ends, informing them to run a pencil size stream of water to prevent their lateral from freezing. Doyle stated he has also been in contact with a company that carries a machine that will help in the thawing of laterals which will cost approximately \$2,600.
